

LA SELVA

(het oerwoud)

What you can do with music
What you can do with words
What you can do with branches
What you can do with birds

What you can do with women
What you can do with men
What you can do with a paintbrush
What you can do with a pen

What you can do with a bird's egg
What you can do with a nest
What you can do with a jungle –
What you can do with the rest!
